

Ohio Department of Transportation

Contact Information

Please help your elected officials at Swanton Township make Airport Highway at the intersection of State Route 295 safe. Call these contacts below to demand a traffic signal and turn lanes or widen the road and have dedicated turn lanes. Too many lives have been lost since the ODOT letter was delivered to the Swanton Township Trustees in 2002 indicating a traffic study confirmed that the intersection is dangerous and needed a traffic signal. The letter also confirmed a traffic signal would be installed. Neither the Trustees at the time nor ODOT followed through with the installation of the signal.

1. Governor John Kasich (614) 466-3555
2. Jerry Wray – State Director (614) 466-2335 or
(614) 466-2336
3. Jim Barna – State Chief Engineer (614) 466-8990
4. Todd Audet – District 2 Deputy Director (419) 373-4412 or
(419) 373-4444
