

ARS Refuse Service is now the refuse provider for Swanton Township. Below are some general guidelines for the collection of your refuse.

Collection Frequency:

Pickup will be on the **2nd & 4th Wednesdays** of the month. One (1) bulk item will be allowed on the 2nd Wednesday of the month.

Trash needs to be out to the road by 6:00 a.m.

Container Size, Quantity, & Weight

Restrictions:

Each resident will be provided with a 96-gallon "Mighty Tidy"™. The limit for each pick up is six (6) 30-gallon trash bags. The "Mighty Tidy"™ holds three to four (3-4) 30-gallon bags & two (2) 30-gallon bags are allowed outside the "Mighty Tidy"™.

All containers cannot exceed 32-gallons unless they are one of our "Mighty Tidy's"™. Bags cannot exceed 40 lbs each.

Additional Service Available:

\$10.00 per month, per household, for pick up for the weeks not covered above. This will provide you with weekly service. (If you currently have this service, you will not need to contact us to add this service.)

\$5.00 per month, per household for an additional "Mighty Tidy"™ to hold the bags that don't fit into your provided "Mighty Tidy"™. (This does not entitle the resident to more than six (6) bags per pickup.)

Bills are sent out the 1st of the month prior to the next quarterly billing. Residents not submitting payment by the 1st of the following month will have their service placed on hold until payment is received. Accounts are cancelled 2 weeks after service is put on hold. Additional fees to restart service will apply.

****We bill in staggered billing cycles based on last name. Due to this change, your 1st billing may be a little more to catch you up with your billing cycle.****
